The Gages You Need, When You Need Them

For 25 years we have been solving gauging problems by offering custom gage designs. Customers from all industries contact our design team for help with inspecting the impossible. We will find a solution for your most intricate designs.

Using the most modern and up to date manufacturing equipment, our machinists turn unique designs into reality by sculpting gages that meet the most demanding requirements.

We have designed and built several hundred special gages over the years. Let us introduce you to some of the many products our design team has produced.

CONFIDENTIALITY STATEMENT

Gagemaker maintains confidentiality of all proprietary connection designs through signed agreements. Gagemaker will not provide any quotations nor ship any gages or setting standards to any unauthorized party. Customers doing work for companies that require proprietary gages will be required to submit approval in writing prior to receiving any quotes or gages.
